Meet the man responsible for the coolest hair in Hollywood

SETTING LOTION

"Hair is like architecture," Abergel says. "If you don't create the right foundation, everything collapses." For Structure, Abergel spritzes Kusco-Murphy Setting Lotion on roots before a blow-dry.

DRY LEAVE IN

SEEN IN / *AMERICAN SALON*

Kusco-Murphy Dry Leave In is a reconditioning treatment that repairs dehydrated or chemically exhausted hair. The oil-free leave-in spray can be used on dry or damp hair, and is infused with burdock root to restore strength, honey for shine and pure almond extract for moisture.
